OBJECTIVE

I seek a professional organization where I can utilize my knowledge and skills effectively, grow professionally, and achieve my highest potential throughout my life and learn New things .

EXPERIENCE

Ahmedabad
Dec 2021 - Mar 2022

Internship

Tops Technologies

Topic : Computer Lab Management System

Frontend : Html , Css ,Javascript

Backend : Php ,Mysql

Tools : Visual Studio , Xampp

Description : The Computer Lab Department System will be developed in PHP using an online system for lab administrators, staff, lecturers, and students. The system will include various modules based on user requests and objectives. The system aims to address the tedious manual lab management problems and improve the efficiency of learning institutions. The backend will be a MySQL Database.
